## Dept of Management Studies

### Indian Institute of Technology Delhi

Indian Institute of Technology Delhi is one of the top higher educational institutions in the world. The Department of Management Studies (DMS) has a full-fledged MBA & PhD programmes in Management. With its liberal multidisciplinary approach, the department provides excellent ambience for research and education amidst the world class infrastructure at IIT Delhi. In a recent Stanford study on Indian Universities, DMS has been ranked second in the Business and Management category, ahead of many IIMs, IITs and ISB. The QS ranking also rates DMS as the top in the country. Further details are at: <http://dms.iitd.ac.in/>

In pursuits of excellence in research, we invite applications from international students for research internships at the Post Graduate (PG) level who are non-Indians and currently pursuing studies at a foreign university. The duration of the research internship programme is 2-6 months starting from April - May 2017. Following are guidelines for joining interns:

- All selected interns will be registered as 'Casual student' of IIT Delhi during summer (2 months) or during running semester (end of July to end of Nov or Jan-April).
- There is a registration fee Rs.48000/ which will be sponsored by DMS, IIT Delhi
- At the end of successful completion of the internship, student will receive a certificate in respect of 'Casual Student of IIT Delhi'
- A stipend of USD 1000 per month will be paid during the internship stay.
- For students pursuing their doctoral studies, their internship project will co-mentored by their advisor (s) and a DMS professor. IPR if any has to be mutually shared. This may require signing of an agreement.
- Offer letter for visa processing shall be provided.
- The selected intern shall work closely with a faculty member during the internship
- Hostel is provided during the internship. A separate fee of USD 80 per month for the hostel is chargeable. This includes food also.

Your application should include the following:
