

Dr. Surya Prakash Singh is Assistant Professor in the area of Operations Management. He holds Bachelor of Technology in Mechanical Engineering from B.I.E.T Jhansi, U.P., and Master of Technology in Manufacturing Engineering from N.I.F.F.T. Ranchi. He is Ph.D. from IIT Kanpur and Post-Doctoral fellow in Manufacturing Systems from Singapore-MIT Alliance, National University of Singapore, Singapore. Before joining to DMS, IIT Delhi he was faculty at Xavier Institute of Management Bhubaneswar and visiting faculty at Management Centre, Ravenshaw University. He was FPM, coordinator, and designed Manual of policies for FPM (PT) during his tenure at XIMB. His research interests includes Facility layout and locations problems, Optimization techniques, Optimizing supply chains, Materials Management, Designing heuristics and meta-heuristics, and Operations Research. He has published his work in various leading International Journals such as International Journal of Production Research, Lecture Notes in Computer Science, International Journal of Advance Manufacturing Technology, European Journal of management, Review of Business Research, International Journal of Recent Trends in Engineering, Asia Pacific Management Review and Journal of Academy of Business and Economics. He has also contributed chapters to two books published by Vilnius Gediminas Technical University Publishing House “Technika” Vilinius, Lithuania (Book titled: CONTINUOUS OPTIMIZATION AND KNOWLEDGE-BASED TECHNOLOGIES), and INTECH Publisher, Vienna, Austria (Book titled: TRAVELLING SALESMAN PROBLEM: THEORY AND APPLICATIONS). He has presented his research work in many national and International conferences. He has widely travelled to countries such as Thailand, Singapore, Sweden, and Malaysia. He is a life member of International Association of Engineers (IAENG) Hong Kong; senior member, International Association of Computer Science and Information Technology, Singapore; and senior member, The Association of Computer, Electronics and Electrical Engineers (ACEEE), India. He regularly reviews articles for International Journal of Production Research, International Journal of Advance Manufacturing Technology, and European Journal of Operational Research. He is on the Editorial board of Journal of Management and Public Policy. His biography appeared in Marquis, USA Who's Who in Science and Engineering, 10th edition, Dec. 2007, and Who's Who in the World, Edition 2011, Nov. 2010.
