

IIT DELHI

One day national workshop on National Datasets: Applications & Challenges

18 April 2018 - Dept of Management Studies - IIT Delhi

Ambedkar University Delhi

Applications are invited from research scholars for the One Day National Workshop on “National Datasets: Applications & Challenges”, which will be jointly organized by the **Department of Management Studies**, Indian Institute of Technology Delhi (IIT Delhi) and **School of Development Studies**, Ambedkar University, Delhi (AUD) at IIT Delhi on 18th April, 2018.

ABOUT THE WORKSHOP

The workshop will focus on orienting the participants on the utility and applications of National Datasets, with special focus on sources such as National Sample Survey Organization (NSSO) and National Family Health Survey (NFHS)

WORKSHOP HIGHLIGHTS

- Invited guest lectures by the renowned experts who have used datasets of NSSO, NFHS and other National Datasets
- Research Clinic, in which experts will respond to the queries and share the derived solutions.
- Building network of experts, faculties and researchers/doctoral scholars in the large public datasets domain.

PARTICIPANTS

Young doctoral students and early researchers who are either using National datasets or will be using in future, for their research.

APPLICATION

Please email your one page CV & statement of purpose (SoP) (1000 words max) to ndsws2018@gmail.com. In your application / SoP, please highlight as to how will be the workshop useful to your research work. You may also inform one issue or query or challenge that you would like to discuss at the workshop.

In its first round, only research scholars from IIT Delhi and AUD are eligible to apply. After the deadline, if seats are available, the call for application will be open to other eligible research scholars.

WORKSHOP FEES

There is no registration fees. There is no support for travel & accommodation. Required material and lunch shall be provided.

DEADLINE

20 March 2018
