SUMMER PLACEMENT REPORT

MBA CLASS OF 2020-2022

DEPARTMENT OF MANAGEMENT STUDIES
INDIAN INSTITUTE OF TECHNOLOGY DELHI
The Department of Management Studies, IIT Delhi takes great pride in nurturing some of the country's best and brightest executives. The department has been delivering comprehensive education to ambitious future managers since its inception. The curriculum, which includes state-of-the-art management courses, dual specialisations, lecture series from global business leaders, live projects and foreign exchange programs, provides students with a forum to excel in the areas of their interest.

No wonder DMS IIT Delhi has been consistently ranked as one of India's best B-schools, which is also reflected in the Summer Placement statistics of this year. A range of recruiters put their confidence in our college and recognized the talent of our students. The unwavering support provided by our esteemed alumni base to their alma mater, and the continued confidence shown by our frequent recruiters, has propelled our institute to achieve stellar heights.

Being an integral part of a world class institution, that is, IIT Delhi, our students have the access to excellent facilities, globally renowned pedagogy and an excellent opportunity to connect with the nation’s and the world’s best corporate and entrepreneurial minds in the path towards successful careers.

We are delighted to announce the successful conclusion of Summer Placements for the MBA Class of 2020-22. This placement season saw corporate recruiters from all domains such as Sales & Marketing, IT/ITES, Consulting, Operations & Supply Chain, Finance & HR, participating and offering new and varied profiles.

We would like to thank our regular recruiters such as Reckitt Benckiser, Wipro, GE Healthcare, GE Power, ICICI, Synergy Consulting among others, who continued their strong relationship with us by offering challenging roles to students across all verticals. We are also grateful to our new recruiters namely, Tata Consumer Products, Optum, Asian Paints and many more, who aligned their hiring cycles with our placement drive as a show of trust in DMS IIT Delhi’s management programme and student quality.

Finally, I would like to appreciate the work and determination of the Student Placement Committee towards making the placement season a grand success. Even as the industry experienced significant disruptions in the hiring processes due to the ongoing pandemic, DMS IIT Delhi achieved 100% placements, owing the success to our strong partnerships with various corporate leaders & our esteemed alumni.

With this, we look forward to strengthening our corporate relations for years to come and hope to continue matching the requirements of the industry with emerging leaders from DMS IIT Delhi.

OUR CORPORATE PARTNERS
MESSAGE FROM PLACEMENT COMMITTEE

We would like to express our heartfelt gratitude to the Head of the Department, Faculty Placement Coordinator and the entire DMS fraternity for their constant support, encouragement and guidance throughout our endeavours. We also beholden our alumni community for its continuous motivation and endearment towards its alma mater. We are extremely grateful to the corporate leaders for their dedicated participation in our corporate relations’ sessions and for educating the students with valuable industry insights. Most importantly, we would like to thank the industry for its unwavering support through placements at DMS, and we look forward to strengthening these associations in the future. We wish the students the very best for their upcoming endeavours.
