MBA CLASS OF
2022-24

Department of Management Studies
Indian Institute of Technology, Delhi

Message Board

Head of the Department

Prof. Mahim Sagar

“ The Department of Management Studies, IIT Delhi takes great pride in nurturing some of the country's best and brightest executives. Since its inception, the department has delivered comprehensive quality education to ambitious future managers. The curriculum, which includes state-of-the-art management courses, dual specializations, lecture series from global business leaders, live projects, and global field study, provides students with a forum to excel in the areas of their business interest. DMS, IIT Delhi has been consistently ranked as one of India's best business-schools, which is reflected in the Summer Placement statistics of the last placement season. A wide range of world-renowned recruiters have put their confidence in the department and have recognized the talent of our students. The unwavering support provided by our esteemed alumni base to their alma mater and the continued trust shown by our corporate partners have propelled the department to achieve stellar heights. ”

Chair – Corporate Relations

Prof. Arpan Kar

“ IIT Delhi's MBA Class of 2022-24 has successfully completed its Summer Placements, with recruiters from various verticals offering diverse profiles in sales, marketing, IT/ITES, Strategy, consulting, operations, supply chain, finance, HR, and general management. The college expressed gratitude to its regular recruiters who maintained their strong relationship, including Reckitt, Bain & Company, McKinsey & Company, Optum, GE Healthcare, Synergy Consulting, Medtronic, Tata Consumer Products, among others. The college also appreciated new recruiters such as P&G, Diageo, Morgan Stanley, among others, for trusting and aligning their hiring cycles with their placement drive. The national and international rankings as a B-School continue to attract the best students and recruiters. We achieved 100% placements; thanks to the strong relationship we have nurtured with our corporate stakeholders. ”

Co-Chair – Corporate Relations

Prof. Vivek G Nair

“ The successful completion of the Summer Placements for the MBA Class of 2022-24 demonstrates our ability to attract top talent from the country. Two-thirds (67%) of our MBA students have done their undergraduate studies from IITs/NITs/SRCC, and three-fourths (77%) of our MBA cohort had prior work experience. As a result, the cohort secured an average stipend of 2.63 Lacs for the two-month internship. The hard work and dedication of the Student Placement Committee ensured that our students had opportunities across various domains, such as Sales & Marketing, IT & Analytics, Strategy & Consulting, Operations & Supply Chain, Finance, HR & General Management. This is possible due to our world-class faculty who teaches evidence-based and research-backed management practices through a rigorous curriculum. DMS's strategic location (Delhi and IIT-Delhi) enables students to develop a holistic perspective due to close interactions with Nobel laureates, public administrators, and corporate leaders. ”

General Manager – Corporate Relations

Ms. Sangeeta Sumbly

“ On behalf of the Corporate Relations and Placement Committee of the Department of Management Studies, IIT Delhi, I am happy to see our students get great opportunities in internships to hone their skills and knowledge. Our Student Corporate Relations and Placement Committee, under guidance of the Sr Faculty Member from the Corporate Relations Team, worked hard to get 100% placement in reputed organizations. The batch of 2022- 2024 achieved an average stipend of INR 2.63 lakhs for the students, with the highest stipend crossing INR 4 lakhs.

The wide range of recruiters, including legacy and new partners, reflects the corporate world's confidence in our program and students. We are further thankful for the support and trust of our alumni and corporate partners. All these aspects further re-enforce our recognition as 4th Top Indian Business School in India in NIRF (National Institute Ranking Framework), the government approved ranking framework recognized by Ministry of Human Resource Development and Ministry of Education

Good internships lead to good placements for students and we are looking forward to an amazing placement season for the batch of 2022-2024. ”
