The Department of Management Studies, IIT Delhi takes great pride in nurturing some of the country’s best and brightest executives. Since its inception, the department has delivered comprehensive education to ambitious future managers. The curriculum, which includes state-of-the-art management courses, dual specializations, lecture series from global business leaders, live projects, and global field study, provides students with a forum to excel in the areas of their business interest.

DMS, IIT Delhi has been consistently ranked as one of India’s best Business-School, which is also reflected in the Summer Placement statistics of this year. A range of recruiters have put their confidence in our college and recognized the talent of our students. The unwavering support provided by our esteemed alumni base to their alma mater and the continued confidence shown by our frequent recruiters have propelled our institute to achieve stellar heights.

We are delighted to announce the successful conclusion of Summer Placements for the MBA Class of 2021-23. This placement season saw corporate recruiters from domains such as Sales & Marketing, IT/ITES, Strategy & Consulting, Operations & Supply Chain, Finance, HR and General Management, offering new and varied profiles.

We would like to thank our regular recruiters such as Reckitt, Wipro, GE Healthcare, ICICI, Synergy Consulting, Medtronic, Tata Consumer Products, Texas Instruments among others, who continued their strong relationship with us by offering challenging roles to students across all verticals. We are also grateful to our new recruiters, namely Apple, Adobe, McKinsey & Co, Sony Pictures Network, JSW, Mercer and many more, who aligned their hiring cycles with our placement drive, showing their trust in DMS, IIT Delhi’s management programme and student quality.

Finally, I would like to appreciate the work and determination of the Student Placement Committee towards making the placement season a grand success.

The successful conclusion of Summer Placements for the MBA Class of 2021-23 is a testament to our ability to attract the finest talent in the country. With more than half of the MBA batch from the IITs/NITs/SRCC and 3 out of every 4 students having work experience, this capable cohort secured an average stipend of 2.13 Lacs for the 2-month internship.

The placements season witnessed a large number of offers and attractive stipends across domains such as Sales & Marketing, IT/ITES, Consulting, Operations & Supply Chain, Finance, HR & General Management. This has been possible due to our world-class faculty teaching evidence-based and research-backed management practices through a rigorous curriculum.

Last but not the least, the hard work and dedication of the Student Placement Committee ensured that this talented cohort got the best possible opportunities. Achieving 100% placements in an increasingly uncertain and volatile context is no mean feat and I commend them for the same.

**Summer Placement Report 2021-23**
DMS, IIT Delhi
Placement Overview

Sales & Marketing domain emerged as the most favored choice of students, with 24.8% of the batch opting for roles such as Product Management Intern, Technical Sales Associate, Customer Engineer Intern, Market Research Intern, Business Development Intern, etc., at industry players like Google, Titan, Tata Consumer Products, Optum, GE Healthcare, Medtronic, Microsoft, Texas Instruments, ICICI Bank, Juspay, Halma among others.

Strategy & Consulting was the second most favored domain in which students received internship offers. Some of the regular and new recruiters in this domain were Bain & Company, McKinsey & Company, Wipro, Bosch Global Software Technologies Private Limited, Capgemini, Avasant, Levers for Change, etc., offering coveted profiles such as Summer Associate Consultant, Capabilities & Insights Intern, Cybersecurity Management Consultant, Strategy Intern and Management Consultant Intern.

Supply Chain and Operations domain saw recruiters like Reckitt, Apple, Tata Consumer Products, Amway, Jindal Steel & Power Ltd., UltraTech, Dalmia Bharat, Schindler, MTR Foods, Mahindra Logistics, Porter, etc., offering roles such as Operations Program Manager, Supply Chain Intern, Logistics Summer Intern, Manufacturing Summer Intern and Quality & Process Excellence Intern to the students.

IT and Analytics saw participation from industry giants like Accenture, Capgemini, Baker Hughes, Bridgestone, Axtria, Wipro, Mahindra Logistics, Tiger Analytics, Just Dial, etc., with roles offered to students such as Digital Technology Intern, ML/AI & Business Intern, Business Analyst Intern, Project Management CoE & Analytics Intern and Data Analyst Intern.

Finance domain was not far behind the other domains in terms of students’ preference. Industry giants like Synergy Consulting, GE Healthcare, TresVista, Bosch Global Software Technologies Private Limited, Four-S Services, ITH Technologies, etc., offered challenging profiles such as Financial Consulting Summer Associate, Merger and Acquisition, Financial Management Intern, Investment Analyst, Financial Advisory among others.

HR and General Management domains saw 10.4% of the batch being offered roles like General Management Summer Intern, Employee Experience Intern, Human Resource Management etc. in prominent recruiters like Sony Pictures Network, Adobe, BPCL, JSW, Mercer, Times Group, etc.
Placement Committee

We at DMS, IIT Delhi are delighted to announce the successful completion of the Summer Internship Drive for the MBA Batch of 2021-23 with 100% placements in record time. We want to express our sincere gratitude to our corporate partners for showing immense faith in our students and providing them with the best opportunities at DMS. We are particularly grateful to our distinguished alumni for their incessant motivation and endearment towards their alma mater.

We appreciate the perseverance and efforts of the corporate leaders for showing active engagement in our corporate relations’ sessions and for imparting significant industry knowledge to the students, which have further resulted in the progression of the Institute in all areas. We look forward to strengthening these relations in the future and wish the students all the very best of luck in their future pursuits.
